

**PAST PERFORMANCE DOCUMENT  
COLLECTIVE INTERNAL FUND - "BALANCED SELECT"**

This chart shows the product's performance as a percentage of loss or gain per year over the past 5 years.

**Past performance is not a reliable indicator of future performance. Markets could evolve very differently in the future. It can help you assess how the fund has been managed in the past.**

Year of creation of the product: 2018

Currency : EUR

The product creation year as well as the current year are not a full calendar year, so there is too little data to provide retail investors with useful insights into past performance. It is therefore not included in the diagram above.
